

CONSULTANCY SERVICES

TRAINING COURSES FOR DOCTORS AND TECHNICIANS, PROVIDE TECHNICAL SUPPORT AND ON-THE-JOB COACHING

1. BACKGROUND

The International Center (formerly known as Vietnam Veterans of America Foundation -VVAF) is a humanitarian organization that has addressed the consequences of war through advocacy and service programs in Vietnam for the last three decades. As a co-founder of the International Campaign to Ban Landmines, IC-VVAF was awarded the Nobel Peace Prize in 1997. The International Center (IC) now focuses on disability support, landmine removal, and mental health programs.

Under the financial support of the United States Government for the Program of Enhancing the Quality of Life of Persons with Disabilities in heavily sprayed with Agent Orange provinces of Gia Lai and Quang Ngai (Inclusion 2b), as a sub-implementing partner, IC is responsible for implementing the Objective One of the project which is to expand the rehabilitation services to contribute to the Goal that to improve the quality of life of persons with disabilities in provinces heavily sprayed with Agent Orange, namely Gia Lai and Quang Ngai.

Three expected results include:

- (i) Ensured accessibility and quality of multi-disciplinary rehabilitation services
- (ii) Improved rehabilitation system for the provinces
- (iii) Improved Governance of the rehabilitation service system

To achieve these expected results, IC seeks qualified consultant(s) services to design, prepare, conduct, and report the training courses for doctors and technicians, as well as provide technical support for project activities and on-the-job coaching for health staff at MDT units in Gia Lai and Quang Ngai provinces.

2. DUTY STATION

- Duty Station: Hanoi, Gia Lai, and Quang Ngai provinces.
- Duration of Assignment: from 26 January to December 2026.
