**SAVE THE CHILDREN
INTERNATIONAL PROGRAMS
ROLE PROFILE**

KEY AREAS OF ACCOUNTABILITY:

Strategic Leadership in Market-Based Programming

- Lead the development and refinement of the market-based programming technical approach, aligned with CSP priorities.
- Translate child poverty and livelihoods strategy into practical, implementable MBP designs
- Ensure integration of climate resilience, gender equality, inclusion, and safeguarding into MBP designs
- Provide strategic advice on where MBP is appropriate and where it is not, based on evidence and feasibility
- Position Save the Children as a thought leader in market-based programming for vulnerable children and youth within Vietnam and the region.

Program Design and Technical Excellence

- Provide technical leadership in designing high-quality programs incorporating market-based solutions, including:
 - Sustainable and inclusive value chain development
 - Youth employment and entrepreneurship
 - Financial inclusion and access to services
 - Climate-smart livelihoods
- Support technical advisors across sectors to embed market-based approaches into traditional programming (education, health, child protection, CRG, climate).
- Develop tools, frameworks, and guidance for implementing market-based programming.
- Ensure all programs are child-focused, inclusive, and aligned with safeguarding and equity principles.

Resource Mobilization and Proposal Development

- Lead the development of high-quality concept notes and proposals on market-based programming and integrated approaches.
- Work in close collaboration with the Program Development Manager to mobilize a minimum of USD 5 million annually through strategic fundraising efforts.
- Identify and pursue funding opportunities from institutional donors, private sector, foundations, and innovative finance mechanisms.
- Collaborate with Business Development, Finance, and Technical teams to ensure strong, competitive proposals.
- Contribute to capture planning, pre-positioning, and donor engagement strategies.

Partnerships and Stakeholder Engagement

- Build and maintain strategic partnerships with:
 - Government agencies
 - Private sector companies and industry associations
 - Financial institutions and impact investors
 - NGOs and development partners
- Facilitate multi-stakeholder collaboration to scale market-based solutions.
- Represent Save the Children in external forums, networks, and technical working groups.
- Strengthen linkages with regional and global initiatives on market-based programming and innovative finance.

Innovation and Blended Finance

- Lead the exploration and application of innovative financing models, including blended finance, results-based financing, and impact investment.
- Identify opportunities to leverage private capital for social impact.
- Integrate digital solutions and platforms into livelihood and economic programs.
- Pilot and scale innovative approaches to enhance program sustainability and impact.

**SAVE THE CHILDREN
INTERNATIONAL PROGRAMS
ROLE PROFILE**

Capacity Building and Knowledge Management

- Build capacity of Save the Children staff and partners on market-based programming approaches.
- Provide coaching and mentoring to technical teams and project staff.
- Capture and disseminate learning, best practices, and evidence.
- Contribute to organizational knowledge and influence internal and external learning agendas.

BEHAVIOURS (Values in Practice)

Accountability:

- holds self accountable for making decisions, managing resources efficiently, achieving and role modelling Save the Children values
- holds the team and partners accountable to deliver on their responsibilities - giving them the freedom to deliver in the best way they see fit, providing the necessary development to improve performance and applying appropriate consequences when results are not achieved.

Ambition:

- sets ambitious and challenging goals for themselves and their team, takes responsibility for their own personal development and encourages their team to do the same
- widely shares their personal vision for Save the Children, engages and motivates others
- future orientated, thinks strategically and on a global scale.

Collaboration:

- builds and maintains effective relationships, with their team, colleagues, Members and external partners and supporters
- values diversity, sees it as a source of competitive strength
- approachable, good listener, easy to talk to.

Creativity:

- develops and encourages new and innovative solutions
- willing to take disciplined risks.

Integrity:

- honest, encourages openness and transparency; demonstrates highest levels of integrity

QUALIFICATIONS

- Master's degree or equivalent in Economics, Development Studies, Business Administration, International Development, or a related field.

EXPERIENCE AND SKILLS

Experience

- Minimum 5 years of experience in international development, with strong expertise in market-based programming, livelihoods, or economic development for vulnerable groups and/or difficult areas.
- Proven experience in designing and implementing market systems development (MSD) or similar approaches.
- Demonstrated track record of successful proposal development and fundraising, including securing multi-million USD grants.
- Experience working with institutional donors (e.g., World Bank, ADB, EU, GCF, FCDO, DFAT and other bilateral agencies) and private sector partners.
- Experience integrating cross-cutting themes such as climate change, gender equality, and digital innovation.
- Experience working in multi-cultural and cross-functional environments.

Skills and Competencies

Strategic Thinking and Leadership

- Strong ability to develop long-term strategies and translate them into actionable programs.

**SAVE THE CHILDREN
INTERNATIONAL PROGRAMS
ROLE PROFILE**

- Ability to identify emerging trends and position programs accordingly.

Technical Expertise

- Deep understanding of market systems, value chains, and private sector engagement.
- Knowledge of innovative finance and blended finance mechanisms is a strong asset.

Business Development

- Excellent proposal writing and communication skills.
- Strong ability to develop winning bids and donor engagement strategies.

Partnership and Networking

- Strong relationship-building and stakeholder engagement skills.
- Ability to influence and negotiate with diverse partners.

Analytical and Problem-Solving

- Strong analytical skills with the ability to interpret complex data and systems.
- Ability to design innovative and practical solutions.

Communication

- Excellent written and verbal communication skills in English and Vietnamese.
- Ability to communicate complex ideas clearly to different audiences.

Personal Attributes

- Passion for improving the lives of children and vulnerable communities.
- High level of integrity, accountability, and professionalism.
- Self-driven, adaptable, and able to work under pressure.
